

## CABC PROGRAM DIRECTOR'S Board Report

Date of Board Meeting \_\_\_\_11-27-18\_\_\_\_

Program\_\_**Pre-K Counts**\_\_\_\_\_

Submitted by Mary Lee O'Harrow\_\_\_\_\_

*Please give a brief summary report (500 words or less) for submittal to the Board of Director's at their regularly scheduled meetings.*

All of the required screenings and assessment have been completed for all of the children enrolled in our Pre-K Counts classes. Four children are in the process of being evaluated by the IU or Learning Express and 3 have already qualified for additional services.

All of the pre-K Counts teachers have completely the first assessment checkpoints in Teaching Strategies Gold. The teachers have been conducting Parent-Teacher conferences during the last several weeks. They have discussed the progress of all of the children and have reevaluated the Individual Goal Plans that were created at the beginning of the year.

Pre-K children at Claysburg have participated in numerous activities with the school including the Fall Festival & Firefighter Day. The mobile agriculture van visited the school and Suzanne Black from the Blair Conservation District spoke to the class about bats, owls and spiders. The children also enjoyed a visit from the high school football team and mascot. The children at W&J enjoy a visit from Mary Kay O'Conner from the Altoona Library every week. Susanne Black will be doing her presentation on bats, owls and spiders for the W&J children. The children in all three classes made "Thank You" cards for school district personnel which were distributed during Thanksgiving Week.

Since I am retiring in December, I would like to thank the Board of Directors for the privilege of working for Child Advocates for the last 17 years. You have giving me the opportunity to make a difference in the lives of hundreds of children and families. Thank you.
