

## **BOD Report March 2018**

### **Transportation**

- We are still in need of a full time bus driver, we will continue to use the self transport day schedule till the position is filled / we did hire a driver but he never showed up to start and did not return any phone calls
- We have replaced old child restraint seats with new seats on two buses and seats that are still age eligible will replace some older seats on other buses
- We have purchased a new agency van
- The new bus we ordered will be delivered before March 26th

### **Facilities Report ( March 2018)**

- Construction is complete and passed the occupancy inspection at Evergreen/ classes are planned to start in the new classroom on March 19th
- We are looking at painting the second floor hallway walls at Greenwood but have not decided on a color as of yet
- New safety signs were installed at the Greenwood center entrances and will also be installed at Tyrone & Claysburg
- New awnings were installed at Greenwood and we received bids for additional awnings
- We are having a architect come to Greenwood to see the possibility of creating a new double entrance for added security
- The cement & playground contractors are meeting the week of March 19<sup>th</sup> to finalize the plans for completion of the sidewalk and playground at Greenwood
