

Board of Directors Report

Family and Community Partnership Division – Carol Leonard, Manager

September 2018

Summary:

- BCHS met funded enrollment for the month of August. Only 14 of our 31 classes were in session but they were all fully enrolled. .
- BCHS currently has 484 children enrolled for the 2018-19 program year.
- All Case Managers and ERSEA Specialist II are still completing verifications.

Trends:

- Transitioning to a paperless process for enrollment is going very well. To date staff has had to do fewer than 10 paper applications. Using ChildPlus has streamlined the process.
- To date we have 15 families with one or both parents incarcerated. This is the same as this time last program year.

Items on the Radar:

- Concern about funded enrollment for October should BCHS not able to covert 30 slots to Early Head Start.
